Testimonials

Met Santa in the Jetland in Limerick. A great experience from start to finish. Booking was easy and the pictures turned out great. Santa and the Elves were brilliant, very engaging with the kids and they left very happy and excited about Christmas. Would highly recommend and will definitely be back next year to see him again!

-Google Review

We have gone to the Santa Experience in Jetland for several years now, and without fail the staff are cheerful and helpful and the Santa is fantastic. The kids really look forward to the visit each year, as do I.

-Google Review

Wow Wow Wow what a fabulous visit we had with Santa last night. Santa was so interactive with the kids and even the older kids loved him.

We got such high quality photos that I will treasure forever. From the Warm Welcome at the door all the way through with the Elves makes it a very special memory. Thanks to all for making it such a lovely visit for the kids and Mammy & Daddy.
